

Piesporter Michelsberg

0,75 L

The Carl Reh brand goes back to the company founder Carl Reh senior, who established the company in 1920 in Leiwen on the Mosel. Today his grandson runs the company and continues to manage the Carl Reh brand.

Wines from the Mosel have a very specific profile, as shown by this Piesporter Michelsberg Riesling Spätlese. The natural sweetness of the wine is well balanced by the crisp acidity and, together with a naturally low alcohol content, this Riesling is characterised by its wonderful freshness – typical for the region.

Country of origin / region
