

## B by Black Tower White 5,5%

0,75 L

With the "B" by Black Tower White, the world's best-selling German wine brand has expanded its range and appeal to meet the growing demand of both consumers and retailers for lighter wines with a lower alcohol content.

With an alcohol content of just 5.5 %, this new addition offers the same easy-going wine profile as the parent Black Tower brand: fresh, fruity and slightly sweet, "B" by Black Tower White is the ideal alternative to wines with a traditionally higher alcohol content.
